

## Al Bustan Palace InterContinental Muscat

Set against a dramatic backdrop of rugged mountains, Al Bustan Palace InterContinental Muscat sits alone amid an emerald green oasis with 200 acres of lush beachfront landscaping, overlooking the glittering azure waters of the Gulf of Oman, a country rich in heritage, traditions and with a culture of warm hospitality.

**M**eticulously designed for comfort and convenience, the 200 rooms and 50 suites uniquely reflect both local traditions and art deco influences, exuding the richness of Arabian culture, art and history. All rooms and suites have private balconies and the luxurious suites also come with exclusive butler service, unique to Oman.

The Al Bustan Palace InterContinental Muscat's array of six restaurants takes guests on an unsurpassed culinary journey. The Beach Pavilion restaurant and lounge is nestled right by the water's edge offering a fresh and exhilarating dining experience during the day and a romantically inspired one by night. Serving authentic Chinese food in the heart of Oman, China Mood has claimed its position as one of the top Asian restaurants in the region.

VUE by celebrity chef Shannon Bennett is the fine dining restaurant, showcasing French-inspired cuisine. Al Khiran Terrace is the hotel's primary all-day dining restaurant. Al Maha Piano Bar is the ideal venue for a relaxing evening with live entertainment.

With a one-kilometre long private beach, pools and lush garden of more than 70,000 plants, your choices to unwind are never-ending. There's water sports a gym, soothing massages and an infinity pool that stretches to the beach for your complete relaxation.
