

## Casa del Mar - Langkawi, Malaysia

Casa del Mar is a home away from home by the sea in Langkawi and a hideaway for travellers seeking a private and tranquil retreat. With sea view accommodation, innovative dining options and spa facilities, the 34-room Casa del Mar is dedicated to providing a unique experience in a friendly and refined environment.

Casa del Mar sits on Pantai Cenang beach, with a myriad of dining options and within easy walking distance of local cafés and restaurants. Dining at the hotel entails sun-kissed patio breakfasts and deck chair lunches, pool bar sunsets, moonlit beachside dinners and late night stops at the wine and cigar room before you retire.

Accommodation is in Pool View and Sea Front rooms and Junior and Deluxe suites. The former have king or twin beds and glass doors that open onto a private terrace. The 60 square metre Junior suite offers two sea-facing balconies and two living areas while the 70 square metre Deluxe suite has the added luxury of a dressing area and a bathroom with a double vanity. Both suites come with two plasma screen televisions.

That Casa del Mar feels more like a fine home than a hotel is evident in the care displayed in all the little extras – from the facial spray to keep you hydrated by the pool to the spa products in your room. Langkawi's attractions are within an hour's drive of the resort and staff can assist with car and tour bookings.
