

## Enterprise Charters

Combining pure power and sleek sophistication, Enterprise Charters transports guests into a world of ultimate luxury cruising. Based in Port Douglas in Queensland and proudly Australian owned, Enterprise offers exclusive private day and overnight charters aboard Enterprise 11 to the Great Barrier Reef and beyond with personalised service and gourmet cuisine.

**G**racious, spacious and beautifully proportioned. Enterprise 11 is both exciting and elegant, offering a variety of options for private charters in the Coral Sea exploring the unique wilderness of the Great Barrier Reef.

Snorkel pristine coral reefs or explore the World Heritage-listed Low Isles. Spot turtles while relaxing on the upper deck. Take a stroll on a secluded beach or simply relax and observe the beauty of this unique environment.

Built in 2007, the sumptuous interior on Enterprise 11 features polished cherry, leather suites and elegant lighting, full air-conditioning and state-of-the-art technology.

The onboard chef caters for all tastes and occasions, providing gourmet cuisine with a selection of the finest local produce and Australian wines. Choose from relaxed al fresco dining as well as silver service and formal dining, while the friendly, professional crew of four is committed to personalised service.

Enterprise 11 is available for half and full day charters to Low Isles, and full day charters to the Outer Great Barrier Reef. Individual itineraries are available on request. Accommodating a maximum 12 guests for day charter and six guests for overnight charter, there's a deluxe stateroom, double forward cabin and twin single side cabin, all with ensuites.
