

## Grand Hyatt Muscat - Oman

Situated on a pristine stretch of coastline in the capital of the Sultanate of Oman, Grand Hyatt Muscat is a striking illustration of Arabian architecture. From the moment of arrival, when guests are greeted with traditional Omani coffee and dates, the unique beauty of the Middle East is reflected throughout the serene hotel.

Omani heritage is evoked throughout 280 elegant and spacious rooms with views of the sea, gardens or the Hajar mountain range. The hotel contains 44 Grand Suites, with large living areas, generous working space and expansive balconies. These rooms include access to the Grand Club lounge, a private club in the hotel offering light refreshments throughout the day, continental breakfast and evening cocktails and hors d'oeuvres.

Six Crown Suites have either two or three-bedrooms, featuring four-poster beds in the master bedroom, separate living and dining areas, kitchen, spa bathrooms and terrace. The sumptuous Uber Royal Suite occupies 336 square metres, with spectacular 180-degree views across the Gulf of Oman with amenities such as a jacuzzi, sauna, exercise equipment and butler service.

Multi-award winning cuisine is found throughout the hotel. Highlights include the renowned Tuscany restaurant, which specialises in dishes from the Piedmont region in Italy. Mokha Cafe has both indoor and outdoor dining and is perfect for families or for more casual fare. The Friday brunch here is not to be missed and is considered the best in the city. However guests choose to spend their time in this enchanting country, Grand Hyatt Muscat provides the perfect base for each individual journey.
