

Hyatt Regency Sanctuary Cove Queensland

Discover pure escapism 20 minutes from the heart of Surfers Paradise and only a short drive from some of the area’s ever-popular theme parks and beautiful hinterland. As soon as you arrive at Hyatt Regency Sanctuary Cove, you’ll feel like you’re a million miles away.

A holiday at the luxurious five-star Hyatt Regency Sanctuary Cove is the perfect escape for couples, families and friends. Styled as a 1940’s grand Queensland Homestead and set amongst lush, tropical gardens and mature palms, the hotel is situated on the northern end of the Gold Coast, in the exclusive residential resort of Sanctuary Cove.

The main feature of the resort is the magnificent one-acre beach lagoon pool that has been named one of the top six resort pools in Australia. This fabulous pool is bounded by a pristine white sandy beach, and continues to be a favourite place for holidaymakers of all ages.

If you’re able to drag yourself away from the lagoon pool, you can indulge in a multitude of recreational activities including golf, tennis, lawn bowls, fishing or a visit to the gymnasium.

For those after a pamper, there’s Champions Day Spa and it’s only a short stroll to the Marine Village where you’ll discover more than 100 chic boutiques, specialty gift stores, restaurants, cafés and galleries.

It’s hard to resist a holiday at Hyatt Regency Sanctuary Cove, so whether you’re after a romantic weekend getaway, a family holiday or even a girl’s pampering weekend, Hyatt has a holiday package to suit all your needs.
