

InterContinental Fiji Golf Resort & Spa - Fiji

Captivating design, world-class dining and authentic Fijian hospitality combine at one of the most magnificent retreats in the South Pacific. Five restaurants and bars, a luxury spa, four swimming pools and a championship golf course make this one of the best hotels in Fiji.

InterContinental Fiji Golf Resort & Spa is an idyllic location for discerning travellers seeking more than just a beachside getaway. Nestled amongst 14 hectares of tropical gardens, InterContinental Fiji Golf Resort & Spa is the sole destination resort on Natadola Beach – the only stretch of natural, white sand beach on Viti Levu, the main island of Fiji. Our stylish guest rooms showcase contemporary Pacific island design at its best. The resort’s 271 superbly appointed rooms and suites feature generous private terraces or balconies allowing guests to relax on the day bed or in the private Cleopatra-style bath as the sun sets over Natadola Bay.

Set high on a hill with sweeping views of Natadola Bay, Club InterContinental offers seasoned travellers the exclusivity of a resort within a resort. With its own Club facility, including private infinity pool and lounge area, Club InterContinental offers 55 hilltop suites, all with luxurious spa baths and many featuring individual plunge pools.

A secluded haven for guests seeking an elevated standard of hospitality, access to Club InterContinental includes 24-hour personalized butler service, complimentary breakfast in a choice of four stunning venues, afternoon tea and two hours of cocktails and canapés in the evening.
