

## Kamandalu Resort and Spa - Bali, Indonesia

Set on a hillside overlooking the Petanu River and green rice terraces in Ubud, Kamandalu Resort and Spa is the epitome of an enchanting Balinese village. In this five-star boutique resort, 54 individually designed villas blend harmoniously into the surrounding tropical forests and provide unique panoramic views across the verdant countryside.

**K**amandalu's newly refurbished villas, nestled in lush green hills, feature an outdoor shower, courtyard, indoor/outdoor living space and a spacious air-conditioned bedroom. Those guests staying in Pool Villas enjoy exclusive personalised services at de Village Club, a cozy lounge providing check-in and out services, complimentary cocktails, afternoon tea, Internet access and discounts at the resort's outlets.

Petulu Restaurant serves exquisite international cuisine. For a relaxed lunch, the open-air Cempaka Lounge or a unique picnic lunch for two is recommended.

The Spa at Kamandalu is a sweet indulgence for the body and spirit, taking inspiration from ancient Indonesian healing arts with its own fresh recipes.

Learn Balinese dance or splash about in the free-form swimming pool. Stroll along the shaded pathways or seek adventure by trekking or cycling through the lush paddy fields and Balinese village or white-water rafting. A scheduled shuttle service to Ubud centre is provided on a complimentary basis, while private car transfer and personal guide service can be arranged upon request. Wedding planning and honeymoon packages are also available.
