

Lomani Island - Fiji

Lomani is the Fijian word for love. Lomani Island Resort is an adults-only boutique resort located in the beautiful Mamanuca Islands of Fiji. Hidden amongst the swaying palms and tropical gardens on the island of Malolo Lailai, Lomani Island fronts a sprawling 7km white sandy beach and sheltered, pristine lagoon.

It takes just 50 minutes by boat or 10 minutes by air to get to Lomani Island from Nadi. With only 17 rooms in the resort, you will feel like an honoured guest. Lomani Island's 12 luxurious suites and five beachfront Bures all feature spectacular views of the ocean and white sandy beach. The dedicated Fijian staff will cater to your every need, allowing you to unwind and enjoy the peaceful atmosphere.

The crystal blue waters that gently lap onto the shores of Lomani Island provide a haven for tropical marine life and vibrant corals. You will enjoy the complimentary snorkeling, windsurfing, kayaking and sailing in the turquoise waters of the lagoon. Most activities are free of charge, including guided village tours, Dolphin Safaris and daily cultural lessons. You can take a cool dip in the beachside infinity edge swimming pool or be pampered with a massage. If you're feeling energetic, grab a bicycle and explore the old copra plantation.

Lomani Island is the ideal location for a romantic wedding and you can even charter the whole resort for your special day. Couples can be married on Lomani Island's beautiful beach or on the offshore sand cay, surrounded by the Pacific Ocean.
