

## Lyall Hotel and Spa - Melbourne, Victoria

The luxurious Lyall Hotel and Spa is located amidst some of Melbourne's finest shops and restaurants. Its fashionable South Yarra address, just two kilometres south-east of the CBD, makes it an ideal base for exploring the city's major tourist attractions on foot and enjoying unique 'insider access' to Melbourne's most stylish destinations.

**V**oted Australia's Leading Boutique Hotel in the World Travel Awards and among Condé Nast Traveller's 2010 Gold List for Service, The Lyall Hotel and Spa is a privately owned, five-star hotel with a welcoming ambience, original art collection and tailor-made service in keeping with Melbourne's sophistication.

40 generously-sized one and two bedroom suites as well as the glamorous Grand Suites and Platinum Suite feature beautifully textured finishes and opulent oriental inspired fabrics. All suites have a separate living area with French doors opening on to a furnished balcony and a kitchen with a gourmet minibar that includes not only Haigh's chocolates but locally made ice-creams in the freezer, cheese and biscuits and a selection of tea and plunger coffee.

The Lyall caters for business or leisure travel. The Lyall Spa open seven days, offers an exotic menu of spa rituals, massage and hydrotherapies, while the gym's Life Fitness equipment provides a complete workout, with celebrity trainer Donna Aston on call.

Celebrate life in the The Lyall Champagne Bar and enjoy a meal at Bistro Lyall open for breakfast (till late), lunch and dinner with its seasonal contemporary menu. The bistro and 24-hour room service menus also provide spa cuisine options. It's the finer details and highly personalised service that makes The Lyall such a unique 5 star experience.
