

Meliá - Bali, Indonesia

Meliá Bali offers a world of exotic beauty and luxurious surroundings. Wander in the magnificent gardens beside lotus ponds guarded by carved stone gods; relax on the golden sands of Nusa Dua beach; or bask in the warmth of the staff for whom your comfort is their pleasure.

Located on the shores of Nusa Dua, Bali's prestigious resort enclave, this complex is a unique sanctuary for a dream vacation. The entire property occupies nine hectares of lush tropical gardens with an enormous lagoon swimming pool winding throughout the grounds. The contemporary tropical architecture, bold décor and spacious gardens express the essence of Bali.

A stylish selection of accommodation offers the height of contemporary luxury, highlighted by indigenous teakwood and furnishing with jewel-tone accents. Meliá Bali has 494 rooms across nine different types, including 43 New Lagoon Access Suites, which will be launched in August. It's a short walk to Bali Collection, the main shopping centre, and to food and entertainment malls, a museum, the international 18-hole Bali Golf and Country Club, as well as the Bali International Convention Centre.

When your senses awaken to the soft splash of a fountain, the kiss of delicate linen sheets on your skin, the fragrance of jasmine and frangipani, you know you are on the perfect Balinese journey.

The resort has received Green Globe Gold status under the globally-recognised certification programme, reflecting its commitment to operating at the world's highest environmental and social standards.
