

Moana Sands Beachfront Hotel & Villas - Cook Islands

Whether you choose to book a studio in prime beach spot Titikaveka, or a two-bedroom villa in the nearby hamlet of Vaimaanga, Rarotonga's southern shores of paradise, with their sublime white sand, await at your doorstep in this tropical dreamland.

Moana Sands Beachfront Hotel & Villas offer absolute beachfront views and endless opportunities to escape, relax and enjoy the marine life and natural surroundings of magical Rarotonga. There are 17 studios in total - 12 standard studios and five deluxe studios - each with a private balcony or patio with uninterrupted views of the lagoon, coral reef and Pacific Ocean. All rooms have king size beds, air conditioning and kitchenette facilities. Each air-conditioned villa has two bedrooms, two bathrooms, open-plan living spaces and a modern kitchen.

Both types of accommodation provide snorkelling gear and kayaks to explore the marine life in the tranquil lagoon a few steps away.

The hotel's Pawpaw Patch restaurant & bar is a popular local favourite that draws many leading local restaurateurs on their nights off. The restaurant offers breakfast, lunch and dinner daily and boasts a menu of cosmopolitan dishes with a Pacific Rim flavour, using the best local and New Zealand or Australian produce, all created by New Zealand-trained chefs in an open kitchen.

The village of Vaimaanga (just a 5 minute drive away from Moana Sands Hotel) is in the lushest part of Rarotonga and is home to Papua (Wigmore's) Waterfall, the only waterfall on the island.
