

Palm Grove - Cook Islands

Set in peaceful Vaima on the stunning southern coast, Palm Grove enjoys one of the best locations on Rarotonga. A very friendly team on the five-acre property will be glad to welcome you to your private piece of paradise.

Celebrating its 32nd anniversary this year, Palm Grove continues to be one of Rarotonga's most popular accommodations. The resort offers 25 bungalows scattered amongst tropical gardens or overlooking the gorgeous lagoon. There are multiple room categories to choose from, in studio to three bedroom layouts. They provide lots of flexibility, whether you're a couple looking for a romantic getaway, friends travelling, or a family with children. Palm Grove is a mid-range accommodation that offers excellent value for money.

All the bungalows feature king-size beds, air-conditioning, private patio/balcony, and kitchen facilities. And keep an eye out for the flat screen TVs that are being installed in all rooms in the coming months. All guests receive complimentary daily tropical breakfast.

The onsite amenities include the restaurant and bar, The Yellow Hibiscus, open daily for breakfast and dinner. Don't miss happy hour on Friday evening with live music and the ever-popular Sunday BBQ. The restaurant is also available for celebrations such as weddings, anniversaries and birthdays.

Palm Grove is set on one of the island's best snorkelling and swimming beaches, and snorkelling equipment and kayaks are complimentary. In addition, the property has a swimming pool and guest BBQ area.
