

Silversea

Silversea creates exceptional ocean journeys with opportunities to explore remote ports-of-call from an intimate haven of incomparable luxury. Each voyage is a unique masterpiece. Discover genuine European expertise reflected in every detail: from tranquil all-suite accommodation and uncompromising service to distinctive fine dining and a carefree all-inclusive philosophy.

Six ships. Seven Continents. Infinite possibilities. Designed as a home upon the oceans of the world, Silversea's ships welcome you to relax in refined luxury. Whilst spacious in feel and appearance, each ship is small in comparison to mass-market vessels, making them agile and easily docked in less-visited, more enticing destinations.

The Silversea fleet includes *Silver Cloud* & *Silver Wind* (296 guests), *Silver Shadow* & *Silver Whisper* (382 guests) and the new flagship, *Silver Spirit* (540 guests). The Silversea Expedition ship *Prince Albert II* (132 guests) offers an expedition experience unlike any other.

With well-travelled international guests, and a crew-to-guest ratio of nearly one to one, the onboard atmosphere is convivial and reflects the genuine hospitality of the line's Italian heritage. All suites are ocean-view – more than 85% with private veranda – and provide the service of a dedicated butler. There's a variety of entertainment and enrichment, including fitness classes. Renowned for culinary excellence, Silversea offers at least four open-seating dining options with the only Relais & Châteaux restaurant at sea.

Silversea take you almost anywhere in the world, docking right in the heart of a city so you have even more time to go exploring. Small ships, grand experiences.
