

## Singapore Marriott Hotel

Singapore Marriott Hotel's green-roofed pagoda is an iconic landmark at the junction of Scotts Road and Orchard Road. This five star hotel is in the heart of Singapore's bustling shopping and entertainment hub and is above the Orchard Mass Rapid Transit (MRT) station, which means the rest of the island is but a train-ride away.

The ideally located Singapore Marriott Hotel boasts sheltered links to more than five main shopping malls. This means come rain or shine, nothing is going to stand in the way of a little retail therapy.

The 393 well-appointed guest rooms, including 29 splendid suites, were recently refurbished to offer a new level of luxury, featuring LCD high-definition televisions, high-speed Internet, in-room safes and Marriott Revive bedding.

This leading business hotel has state-of-the-art technology and facilities for corporate travellers.

After a busy day, unwind in the resort-style pool with mosaic finishing and calming marine colours indicative of the mood and ambience of the pool deck area. Don't miss the submerged seating area at the end of the pool just next to the baby pool – a perfect indent where you may indulge in the jacuzzi's rejuvenating jet streams at the end of the day. At any time, visit the 24-hour fitness gym for an energizing workout.

Culinary delights abound at the award-winning restaurants including Crossroads Cafe, Wan Hao Chinese Restaurant and Marriott Cafe. Whether planning a meeting, conference or wedding, your event will be a memorable success at the Singapore Marriott Hotel.
