

Sugar Beach - Mauritius

Sugar Beach: the name says it all. This Mauritian spirited hotel occupies a site of more than 12 hectares on the west coast of the island, featuring beautiful landscaped tropical gardens and a wide extent of white sand beach on the sunniest shoreline of Mauritius.

Visit this exclusive paradise and experience its sweet gifts for yourself.

Sugar Beach is a five-star hotel offering a unique combination of plantation-style architecture and contemporary décor. 258 guest rooms and suites all have their own private patio or balcony with easy chair, ottoman and day bed. Accommodation is complete with air-conditioning, mini bar, tea and coffee making facilities and LCD flat-screen TV. Satellite television provides international news, sports and entertainment as well as channels for the kids.

There's a variety of activities to suit all tastes, be it diving in the pristine blue waters of the lagoon, sandcastle competitions for the little ones, golf, tennis, indulging in the sensual flavours of restaurants featuring Mauritian, Mediterranean and world cuisine, or just rejuvenating at the hotel spa with its *hamam* (sauna, massage and cooling room treatment) along with other specialised therapies.

And when the sun goes down over the horizon, Sugar Beach is full of entertainment, from the sports-aficionado's bar to the trendy beach bar where you will end up on the sand, dancing beneath the stars to the sounds of a live band or DJ.

The range of facilities at Sugar Beach makes it ideal for couples and families to experience the best of famed Mauritian hospitality.
