

Sunset Resort - Cook Islands

Sunset Resort is an intimate beachfront property that enjoys stunning sunsets and a proximity to Avarua. Self-catering studios and suites at the personally managed, privately owned resort allow you to interact with the hospitality staff as much or as little as you wish.

Idyllically set on the shores of a sheltered lagoon, Sunset Resort has 35 spacious studios and suites situated either on the beachfront overlooking the lagoon, or beside one of two swimming pools and amid lush tropical gardens. The secluded beachfront location provides guests with unspoilt views of Rarotonga's exotic sunsets.

The resort features the open-air Anchorage Restaurant & Bar, open for breakfast, lunch and dinner seven days a week and hosting theme nights and a Sunday barbecue. The Drum Beat pool bar has a daily happy hour between 5 -7 pm when you can enjoy the surroundings, make new friends or relax with a cocktail.

All studios and suites are air-conditioned and feature a king bed, beach towels, hair dryer, insect screens, TV, DVD, in-room safe, IDD phones and kitchen facilities. The resort provides complimentary daily tropical breakfast, reef shoes, snorkeling gear, DVD's, Black Pearl demonstrations, scuba diving lessons, pareu tying (a pareu is a Cook Islands wraparound skirt) and coconut husking. A spa therapist is available for in room therapies and an internet kiosk is available at reception.

Small and intimate, Sunset Resort offers peace and privacy with all the amenities required to ensure you enjoy a relaxing and memorable holiday.
