

The Andaman - Langkawi, Malaysia

The Andaman, a Luxury Collection Resort on Langkawi Island, is enveloped by an ancient rainforest where exotic flora and fauna live in harmony with this oasis of style and sophistication. Carefully created destination discoveries and indigenous experiences linked to nature and wellness will set the stage for memorable moments for family holidays and romantic escapes.

Located in an idyllic tropical setting on Datai Bay, The Andaman beckons you to a world of enchanting indulgence. 186 magnificently appointed rooms and suites reflect a contemporary Malaysian style, with sweeping views over the turquoise Andaman Sea and the lush foliage of Gunung Mat Chinchang rainforest. Lanai rooms have private sun decks while the suites have a living area and spacious balcony.

When guests are not taking in the stunning natural surroundings and the luxury resort trimmings, there are activities aplenty. Marvel at the abundant wildlife, relax on the pristine white sand beaches, sip a cocktail by the crystalline pool, or savour the gourmet delights of the world-class restaurants.

The Andaman has three sumptuous dining venues that infuse gourmet cuisine with indigenous flavours and where an exceptional culinary experience will be enjoyed with every dish. Banquet facilities include a ballroom seating 250 guests and 400 people in a theatre style set-up, as well as six breakout rooms for flexible space and a boardroom.

Other facilities include a spa, business centre, kids' club, games room, gym, gift shop, hair salon and complimentary wireless internet access. Guests of The Andaman also enjoy privileged access to an 18-hole golf course and tennis courts nearby.
