

## The Grace Hotel - Sydney, New South Wales

Discover Sydney from its heart at The Grace Hotel and be steps away from Darling Harbour, King Street Wharf, Pitt St Mall and Circular Quay. The heritage listed Grace Hotel offers warm, personalised service and a unique blend of Art Deco charm and contemporary comforts.

The iconic four and a half star Grace Hotel is housed in the elegant 1930's neo-Gothic Grace building. Beautifully restored, the hotel seamlessly merges the historic building with the modern conveniences and comforts expected by today's traveller.

The hotel has 382 spacious and luxurious guest rooms, each designed with thoughtful amenities such as 32" LCD flat screen TVs, high-speed Internet and 24-hour room service. And it is rumoured the beds are the most comfortable in Sydney.

During their stay, guests may choose to take advantage of the Rooftop Health & Fitness Club, with a fully equipped gym, heated indoor lap pool, sauna, steam room and sun terrace overlooking the city skyline.

The Grace Café, located off the hotel lobby, serves modern Australian cuisine and the Grace Brasserie on level 2 offers a sumptuous buffet breakfast and lunch. Recently refurbished Bar77, located on the Mezzanine level, is the perfect venue to unwind and sample the delicious tapas-inspired menu.

With everything designed for comfort and convenience, The Grace is more than a hotel, it is an icon located in the heart of Sydney.
