

The Sebel Cairns Hotel - Queensland

The iconic Sebel Cairns Hotel is the ideal place to stay when visiting this tropical paradise nestled between two World Heritage areas – the Daintree Rainforest and the Great Barrier Reef.

Each room has a private balcony affording stunning harbour and mountain views.

The Sebel Cairns Hotel captures the casual but stylish lifestyle of the city and provides subtle five star service, with impeccable attention to detail. 321 luxuriously appointed, spacious rooms all have large furnished private balconies and feature Italian marble ensuite bathrooms plus an exquisite bedding selection. For that added bit of luxury, enquire about the Executive Suites.

The hotel's restaurant and bar venues are Cairns destinations in their own rights, allowing your taste buds to travel the world with a touch of tropical finesse. The evening buffet selection at Coco's restaurant will satisfy the most discerning guest. You can also enjoy high tea in the Lobby bar or for a special treat, the fortnightly Sunday brunch. Live entertainment on weekends will ensure your dining experience is a memorable one.

When you are ready to step out from the newly renovated Daintree pool deck, everything is at the front door - the Casino, the Barrier Reef cruise terminal, the Convention Centre and the CBD's best shopping. The tour desk team is always available to help choose from a variety of day trips, safaris and reef cruises. But if you don't want to leave the hotel, try the 10-treatment room Mii Spa.
