

The Westin Resort Nusa Dua - Bali, Indonesia

Weary travellers will know they are being offered total renewal as soon as they arrive at The Westin Resort Nusa Dua, with sights, sounds and scents to replenish the spirit. Leave the outside world behind and allow your senses to be reawakened at an enticing oasis of the finer pleasures in life.

The Balinese hospitality is evident at the dramatic reception designed by Hirsch Bedner Associates, with guests seated with a healthy berry refreshment. The accommodation blends modern luxury with the island's distinctive flair. 342 rooms, designed by Indonesian interior designer Hadi Prana, feature a balcony with ocean, pool or garden views, as well as a Heavenly Bed and broadband.

Royal Beach Club rooms are the resort's premier room type, entitling guests to privileges like access to a 24-hour private lounge in a separate wing. There are 24 rooms and 25 suites for utmost privacy.

A popular option for family travellers is the Family Studio with two interconnecting bedrooms for up to three children and PlayStation 2. Children will love the large freshwater pool with a 12-metre waterslide while their parents relax in the saltwater pool.

The Westin Kids Club caters to children 4 to 12 years old, with activities such as face painting, kite making, fishing, swimming, tennis and golf lessons, cycling tours, and snorkeling. Families can also bond over multi-generational entertainment.

The Westin Spa at The Westin Resort in Nusa Dua has a unique approach in its utilization of local herbs, plant, roots, spices, barks and flowers to provide an insight into the spiritual world of Balinese culture through its rich botanics.
