

Vivanta by Taj - Coral Reef - Maldives

Located on Hembadhu Island, less than 32 kilometres from Malé airport, Vivanta by Taj, Coral Reef, Maldives, offer a personalised holiday experience for families and couples alike.

Private laidback, thoroughly enjoyable, the Vivanta Coral Reef, is a true marine paradise, perfect for the bon vivant.

Vivanta Coral Reef's redesigned accommodation comprises 62 chic villas. Guests can choose from thatched Beach Villas with beachside porticos, or Water Villas with private decks looking out to the lagoon. All offer unrivalled views of the sea and outdoor shower areas. The spacious Beach Villa Suites are the next level of indulgence with private plunge pool, outdoor living areas and butler service.

Boasting one of the best spots for diving, amateurs and professionals can explore the resort's very own house reef and shipwreck, the less intrepid can relax at Jiva Spa, inspired by the Indian philosophy of wellness. The exotic aromas of spices and fragrant blooms, and the gentle sound of soothing music, will engage your senses and lull you into a state of bliss. The spa features double and single treatment rooms with private soak bath areas and therapies include the Pehlwan Maalish Indian oil massage and Champi Indian head massage.

Taj properties are known for their culinary excellence and Vivanta by Taj is no exception. Appetites will be whetted by the variety of fresh and enticing culinary options. Vivanta respects the importance of food to any travel experience and a diverse selection of menus is available across Vivanta's two restaurants, Latitude and Open The Grill. From regional treats to international flavours, light meals to indulgent fare, all the culinary bases are covered.
